7) Heat remaining 1 ½ teaspoons oil over high heat in the skillet, then add beef, chicken or tofu to the skillet. Stir until thoroughly cooked.

8) Lower heat to medium low. Return vegetables to skillet.

9) Pour broth mix over vegetables and meat/tofu. Cook for 2 minutes, stirring constantly, or until liquid thickens.

10) Serve immediately over heated, cooked rice.

11) Refrigerate leftovers within 2 hours. Eat within 3 to 5 days.

*For best results, press the tofu for at least 30 minutes to remove excess liquid. For crispy tofu, lightly dust the chopped tofu with cornstarch before stir frying.

Be creative! Add frozen veggies in step #4 or any leftover cooked veggies or cooked meat before step #7
