

Hill County 4-H Award Application

Name _____ Age _____

Club _____

Please consider my records for the following project(s). I have included my complete Record Book and a 4-h Story of my 4-H and Community Service activities for the past year. The 4-H Story does not need to be long or difficult, just give us details about your projects and the activities you have participated in during the 4-H year. Tell us what you have learned in 4-H and elsewhere.
