

# College of Engineering Excellence in Research Award

Ron June

The MSU College of Engineering received numerous nominations for the College of Engineering's Excellence in Research Award, which recognizes excellence in research. The award consists of a \$500.00 honorarium and was announced at the College's Annual Awards Ceremony May 3<sup>rd</sup>, 2017.

The Award is open to all faculty and professional staff engaged in research and creative activities. One award was given to a faculty member and one award was given to a professional staff member. The nomination may be based upon a recent significant research or creative achievement, or upon the recognition of a cumulative body of work

Ron June a recent recipient of a prestigious National Science Foundation Career Award and this years worthy recipient of the College of Engineering's Excellence in Teaching Award!

***Congratulations Ron!***
